AMARO DEMONTE

Description

In the **1920s** the Chazalettes distillery offered a refined **range of *amari*, each one with a distinct identity.** Among them stood out **Amaro Demonte,** distinguished by its elegant **Art Nouveau–style label.** Dry, bold, and tonic in character, it was crafted according to an ancient recipe based on the **infusion of herbs, flowers, spices, roots.** Deeply inspired by **Alpine tradition** and Chazalettes family's origins, Amaro Demonte expresses strength and complexity. Today, this **historic recipe** has been brought back into production in a new interpretation that celebrates its heritage, its alpine soul, and its unmistakable character.

Characteristics

Amaro Demonte reveals a distinctly alpine aromatic profile, led by **pine buds** and **fresh mountain herbs.** The nose is deeply **balsamic,** with **gentian** (*Gentiana Lutea*) **root** and **wormwood** shaping its bold character. **Rhubarb** and **cinchona bark** are balanced by subtle vegetal nuances from **aloe** and **artichoke leaf.**
